

Contract Management

It is easy to overlook the importance of contract management because it seems to be a boring, mundane topic. Contracts, however, are the basis of most business relationships. If contracts are managed well, business relationships will flourish. If they are not, companies face financial loss, relationship harm, and damaged reputations.

With our course your participants will learn the insides and outs of Contract Management. Contracts are made with vendors, employees, customers, partnerships, and these agreements must be managed carefully. In order to effectively implement Contract Management it is necessary to understand all the small details, and that is what you get with this workshop.

Module One: Getting Started
