### COURSE OUTLINE – Lean Six Sigma Yellow Belt Certification Exam

**INSTRUCTOR:** N/A

**PHONE:** 780-539-2975

**OFFICE:** M105

**E-MAIL:** ce@gprc.ab.ca

**PREREQUISITE(S):** You should have in-depth knowledge of Lean Six Sigma concepts and practices before deciding to take this certification exam.

**REQUIRED TEXT/RESOURCE MATERIALS:**

No additional materials are required.

**CALENDAR DESCRIPTION:**

This one-and-a-half hour timed exam tests competency and comprehension of Lean Six Sigma principles, strategies, tools, and techniques. The test includes 50 multiple-choice questions chosen at random from a question database, and covers all aspects of the DMAIC methodology and its implementation. Questions are posed in several configurations that ask test-takers to identify, calculate, analyze, and apply your knowledge to demonstrate your ability to perform as important members of improvement teams.

If you purchase this product, you are purchasing only the exam. However, this exam is also available bundled with the Lean Six Sigma Yellow Belt Exam Prep course. The exam prep course provides a thorough preparation for the exam, guiding you through key foundational and in-depth Lean Six Sigma concepts and skills. (The fee for taking the certification exam is included in the cost of the exam prep course.)

**CONTACT HOURS:** 2 hours

**DELIVERY MODE:** Online

**TRANSFERABILITY:** N/A

**GRADING CRITERIA:**

After successful completion of the exam, you will be recognized as a MindEdge-certified Lean Six Sigma Yellow Belt.

**EVALUATIONS:** For successful completion, learners must achieve a minimum of 70% on the certification exam

*\*Learners who have passed Practice Exam 2 of the Lean Six Sigma Yellow Belt Exam Prep course with a score of 70 or higher on their first attempt, but who do not pass the Lean Six Sigma Yellow Belt Certification Exam, will be able to take the Lean Six Sigma Yellow Belt Exam Prep course again for free. To be eligible, you must take the Lean Six Sigma Yellow Belt Certification Exam within 45 days of completing the course and passing the practice exam.*
