#### **Course Policies:**

All assignments must by word-processed or typewritten. It is particularly important to save a copy of any written work handed in for credit or grading. Handwritten assignments will not be accepted.

Assignments are due on the dates set by the instructor. If there is a valid reason for an extension, it must be requested prior to the due date. Unauthorized late assignments will have a 10%-per-day late penalty applied to the assigned grade.

Regular attendance is critical to success in BA 1010. Should a student be unable to attend a class, it is the student's responsibility to acquire the material missed and to complete the assigned readings, in-class work, and assigned homework.

If a student is unable to attend an in-class test or quiz, the instructor must be advised before the test/quiz is administered. Voice mail or e-mail notification is fine. The test/quiz will usually then be written in the testing centre in A205. Failure to notify the instructor of an absence will result in a grade of 0.

It is expected that assignments will be handed in at the beginning of the lesson. If a student does not hand in an assignment when it is due, the procedure is as follows:

- 1. Advise the instructor that the assignment has not been submitted and confirm the date it will be submitted.
- 2. When the assignment is completed, keep a digital or hard copy of it.
- 3. Deliver the assignment to the Cashier's Office where it will be placed in the instructor's mailbox.
- 4. Confirm with the instructor the receipt of the assignment.

Assignments and projects not picked up by students will be held until the end of the first week of the following semester. At that time, any assignments not picked up will be destroyed in a secure manner.
