**Student Responsibilities**

- It is the student's responsibility to arrive on time and remain for the duration of scheduled classes and related activities.
- It is the student's responsibility to respect the instructor's right to enforce the attendance requirements for the course.
- It is the student's responsibility to respect the instructor's right to determine the course content, instructional methodology, evaluation procedures and the frequency of evaluation within the guidelines set for the course and approved by the department.
- It is the student's responsibility to respect the instructor's right to set deadlines for assigned work, to expect assignments to be submitted at the times specified, and to establish penalties for failure to comply with deadlines.
- It is the student's responsibility to respect the instructor's right to expect assignments to be neatly presented (typed or, if hand-written, double spaced) with appropriate identification (name, student number, course title).
- It is the student's responsibility to respect the instructor's right to expect that any work submitted by a student is his/her own. It is the student's obligation to know what plagiarism and other forms of cheating are, and to know the consequences.
- It is the student's responsibility to write tests and final examinations at the times scheduled by the instructor or the Office of the Registrar.
- It is the student's responsibility to complete course work and assignments missed when absent. Participation in optional activities such as athletic events or student exchanges, etc. does not reduce the student's academic responsibility.
- It is the student's responsibility to familiarize him/herself with the procedures to be followed when writing College examinations.
- It is the student's responsibility to respect the instructor's right to appropriate classroom deportment by all students. Should a student be disruptive and/or disrespectful, the instructor has the right to take action to exclude the disruptive student from learning

## **STATEMENT ON PLAGIARISM AND CHEATING:**

Please refer to the College calendar regarding plagiarism, cheating and the resultant penalties. These are serious issues and will be dealt with severely.

Academic Regulations

**Debarred From Exams**

“You may be **refused permission to write a final examination** in a course on the advice of the instructor concerned. This usually happens when absences are excessive or if significant parts of required assignments or lab work are not completed.” The definition of excessive absences in this class will be more than 6.
