

DELIVERY MODE(S):

The course will be offered as three hours instruction and two hours lab per week for a total of five hours per week. The allocation of instructional time and lab time will be at the Instructor's discretion.

- For each topic listed, there will be a classroom lecture/discussion and a demonstration of related accounting procedures. Relevant textbook readings and problems will be assigned, and your knowledge, understanding and application of the material will be tested. Chapter quizzes will be administered either on paper during the weekly lab or electronically.
- The Final Examination will consist of multiple choice questions, exercises and problems.
- Regular classroom attendance is expected. Each assigned reading should be studied both before and after it is discussed in class. Home work assignments, whether or not handed in should be completed to develop your understanding and application of the principles and practices.
- Assignments should be considered as professional submissions or presentations that would be prepared for either a supervisor or client. Therefore assignments should be neat (but not necessarily typed or computer generated), should contain proper spelling and grammar, should be in the appropriate format for accounting statements and should communicate the required information in an efficient effective manner. Marks may be deducted if an assignment does not meet the above criteria.
- This course requires a great deal of time and effort so plan your schedule accordingly. Do not fall behind in the assigned readings and problems because it will be difficult to catch up.
- **Moodle** is a Learning Management System used to improve communications between the Student and the Instructor. Important dates, documents and announcements will be posted on **Moodle**, and e-mails from the Instructor to the class will be sent using **Moodle** and/or GPRC e-mail.
- **PowerPoint** slides will be used, and will be available for down load from **Moodle**.
- Unofficial Student marks will posted on **Moodle**. Official Final Grades will communicated via Student Services.

EXAMINATIONS:

Final examinations will be scheduled by the registrar's office during the period April 16-26, 2012. **Do not plan any activities during this period!!!** Dates for major tests, quizzes, and assignments will be announced in class as required during the semester.

Examinations will be closed book. Examinations will consist of Multiple Choice questions, short answer questions and detailed problems. Students will be allowed to use approved financial or scientific calculators (calculator functions on cell phones ARE NOT appropriate), approved translation devices and pen or pencil. Examinations are to be written at the scheduled time and in the scheduled classroom/examination room. Individual requests for rescheduling of exams or quizzes will be entertained **solely at the Instructor's discretion**, and **will not be considered** after an exam or quiz has been written.

STUDENT RESPONSIBILITIES:

Moodle and GPRC e-mail will be used to communicate important announcements and supplemental material. Students are responsible for checking their GPRC e-mail accounts regularly.

Regular classroom attendance is expected. You should study each assigned reading both before and after it is discussed in class and apply your understanding by completing the required homework problems—both hand-in and in-class.

If you must be absent, then it is your professional responsibility to e-mail or phone your Instructor and it is your responsibility to catch up on material that was missed.

This course requires a significant investment of time outside the classroom, and is incremental.

Assignments are to be submitted by the end of the class on the due date. Late submissions may be subject to penalty. Assignments may be submitted electronically in either Word or Excel to the Instructor's personal GPRC e-mail: pcoristine@gprc.ab.ca.

No assignments will be accepted once marked assignments have been returned to the class. Assignments should be considered as professional submissions/presentations that would be prepared for either a supervisor or client. Therefore the assignments should be neat (but not necessarily typed nor computer generated), should contain proper spelling and grammar, and should be in the appropriate format for accounting information or statements.

Students are encouraged to work with each other when completing assignments, but each student will submit an original discreet assignment. Please see the section on Plagiarism.

Quizzes will be given throughout the semester.

Calculators and approved translation devices are the only electronic devices allowed during quizzes, tests or examinations. **THE CALCULATOR FUNCTION ON CELL PHONES, SMART PHONES OR SIMILAR DEVICES IS NOT APPROPRIATE, AND THEREFORE THESE DEVICES CANNOT BE SUBSTITUTED FOR CALCULATORS.**

Generally a minimum grade of C+ is required for transfer credit to another institution or professional organization. It is the student's responsibility to ascertain the transfer criteria.

SPECIAL NOTE ON CELL PHONE USE: Use of a cell phone, including texting during classroom is inappropriate, and in the opinion of the Instructor constitutes unprofessional behavior (read: loss of professionalism marks). Detected use of a cell phone during an examination or quiz will result in forfeiture of the exam paper and a mark of ZERO.

STATEMENT ON PLAGIARISM AND CHEATING:

Please refer to the College calendar regarding plagiarism, cheating and the resultant penalties. These are serious issues and will be dealt with severely.

If you have questions if you might be violating the College's Policy, please discuss it with your Instructor **before** submitting your assignment.
