COURSE DESCRIPTION: French 0120 and 0130 together are equivalent to the French 10, 20, and 30 programs in high school. This course moves at a **rapid pace** because it covers approximately the same content contained in the three-course high school program. Continuing your development of all four language skills – listening, speaking, reading and writing – you will master basic vocabulary and language structures needed to discuss everyday topics in the present, the past and the future. In addition to these verb tenses, you will learn about moods and the appropriate sequencing of certain verb forms in order to move beyond the listing of facts to expressing your own views about them. With the added ability to use various pronouns, for example, you will discover a new freedom of expression in French you have not known up to now. But the key will be to use what you learn! “Use it or lose it”, as the saying goes.

TEXTS:

1. Amon, Evelyne : **Vis-à-vis: Manuel (4th ed)**
2. Amon, Evelyne: **Cahier d'activités (4th ed)**
3. Recommended: a good French/English dictionary (Larousse, Le Petit Robert or Harrap's)

ATTENDANCE:

As new language structures will be introduced daily, class attendance is essential! Your habits related to attendance, punctuality and participation will undoubtedly manifest themselves in your grades. In the case of unavoidable absence, quizzes and exams may only be made up upon presentation of **a medical note or with prior arrangement through the instructor**.

CLASSROOM ACTIVITIES:

This course is based on Chapter 7-12 of Vis-à-vis. The textbook presents vocabulary and structures, linked to various themes and provides practice exercises. Most of our in-class time will focus on the textbook material.

Besides the textbook, there is a combined workbook/lab manual, which is done on your own and will give you supplemental practice using language elements introduced in the textbook. Refer to the answer key provided for self-correction. A portion of the lab materials will be covered in class such as the À l'écoute sur Internet and Vidéoblogs.

OUTSIDE ACTIVITIES:

For Workbook/Lab content go to the Vis-à-vis website accessible via (<http://www.mhhe.com/visavis4>), then click Site map and Audio program where you will find the required workbook/lab audio exercises, as well as optional self-tests for vocabulary (click Paroles) and grammar (click Structures) and other informative links. **Workbooks are due on Chapter Exam days. Late workbooks will be deducted 20%/class.** Language acquisition depends on contact with and use of the language. Avail yourself of every possible opportunity to hear, speak, and read French (TV, radio, magazines, etc.). You are encouraged to find someone with whom you may practice and study. Other helpful sites are <http://www.wordreference.com> and <http://www.la-conjugaison.fr/>
