**PREREQUISITE(S)/COREQUISITE:** Successful completion of GPRC courses for Semester 1.

**RESOURCE MATERIALS:** GPRC will provide orientation to work placement, assist student success, use of the ThinkBig Task book, and review of the evaluation form and process. Finning (Canada) will assign the work placement location, provide ongoing supervision/mentorship, and evaluation of the work placement.

**CALENDAR DESCRIPTION:** Placement will occur at a licensed Finning location. In the event that a Finning placement is not available, the student will be required to arrange a practicum placement with the assistance of the college. This is a 320-hour course and a student must complete the placement to a satisfactory level.

**DELIVERY MODE(S):** Practical.

**TRANSFERABILITY:** None.

**STUDENT RESPONSIBILITIES:** This is an adult work/education environment. Enrolment in this program requires that the student will be a responsible Finning Canada employee. As such, each student will display a positive work ethic, take pride in and assist in the maintenance and preservation of the workplace. Assume responsibility for his/her learning by following requirements and policies, demonstrating courtesy and respect toward others; and respecting supervisor expectations concerning attendance, work ethic and shop rules, safety & deadlines. Students are learning skills to prepare them for full time employment.

**CREDIT/CONTACT HOURS:** Credits: 2.0 /Hours: 320

**GRADING CRITERIA:** Students must attend work placement, follow Company and specific shop rules associated with the branch attending. Students will be awarded 2 credits for completion of the work placement including task book completion and mid and end student evaluations completed and turned in.
